# MATCH THE AUTHORS TO THEIR GENRE

## ANSWERS

# MY DAY AS AN AUTHOR MAD LIB

\_\_\_\_\_ (time of day), I took my time and wrote the longest  
\_\_\_\_\_ (genre of writing) ever! It took me an  
\_\_\_\_\_ (adjective) amount of time. I was really  
pleased with my work. I was really pleased with my work.

I titled it " \_\_\_\_\_ " (funny name for a book). I wrote so much that  
when I was done, it totaled \_\_\_\_\_ (large number) pages. I ran out of  
printer paper, so I printed it on my \_\_\_\_\_ (body part).

I shared my work with everyone I could find on \_\_\_\_\_ (day of the week).  
Just then a \_\_\_\_\_ (type of natural disaster) hit my bed room and  
seemed to \_\_\_\_\_ (another word for ate) my computer.

When running over to my room I was sweating \_\_\_\_\_ (plural form of a  
word for container). I looked at my \_\_\_\_\_ (previous body part  
mentioned) and the ink had begun to run. \_\_\_\_\_ (A friend's name)  
grabbed a \_\_\_\_\_ (random thing you can write with)  
and copied what I had written. Man, that was one \_\_\_\_\_ (adjective)  
day!
