

# German Paper Dolls

In the early 1900s, paper dolls became a popular pastime for both children and adults. With the various styles and accessories, it's impossible not to get caught up in cutting, dressing, and playing.

## Materials:

Thin cardboard (a cut cereal box will work)

Scissors

Printed template

Colored pencils/markers

All you have to do is print out the template, glue it onto a thin cardboard piece and start having fun! Templates are found on the next page.
