Ladies and gentlemen, start your crafting! Today is Make Cut Out Snowflakes Day, just like you did when you were a kid. This crafty day isn't just for children, though. Making snowflakes is a fun thing to do for people of all ages. All you need is some paper, scissors, and a little imagination. Finding a template you can use online will make the project much easier to do, but since every snowflake is different, taking your time to make one freehand would be quite right. Don't be shy.
