Stick to Your New Year's Resolution Day

Stick to your New Year's Resolution Day is observed on January 12. Don't get down on yourself, the year is far from over! If you need a restart and could do with a renewed commitment to goals — today's a great day to begin. Contrary to popular opinion, most people succeed at keeping New Year's resolutions. Don't believe us? Many polls out there showcase wills of steel and endless possibilities. It's proof that adults (68% to be precise) can make and successfully smash their goals. Let's celebrate sticking to our resolutions today and every day.

DID YOU KNOW? Nurdle Wars

Do you know that the wavy bit of toothpaste on toothbrushes in ads has a name? It's called a "nurdle." Back in 2010, there was this wild lawsuit between Colgate Palmolive and GlaxoSmithKline over the nurdle. Colgate claimed exclusive rights to use a picture of it on their packaging, but Glaxo, the makers of Aquafresh, fought back. The whole thing got settled out of court, and the details were kept hush-hush.
