## National Scavenger Hunt Day

Did you enjoy scavenger hunts as a kid? Did you know all of the best places to look? Well, get ready to share those skills on some new adventures on National Scavenger Hunt Day on May 24th! This event dates back to the late 1980s and was created as an interactive game that encourages people to explore their surrounding environment. People of all ages can participate in finding hidden treasures, uncovering clues, competing against others, or just having a good time with friends.
