## National Chocolate Chip Day

If you love chocolate chips, this is your big day! May 15th is National Chocolate Chip Day, but have you ever wondered where those delightful morsels came from? You can thank one curious and creative baker. In 1937, while working at the Toll House Inn, Ruth Graves Wakefield of Whitman, Massachusetts, decided to add some chocolate to the cookies she was making. She added cut-up chunks of a semi-sweet Nestle chocolate bar to a cookie recipe. The cookies were a huge success, and in 1939, Wakefield signed an agreement with Nestle to add her recipe to the chocolate bar's packaging. In exchange for the recipe, Wakefield received a lifetime supply of chocolate. And, you guessed it, Toll House cookies were named for the inn where they were created.

## Today in History

In 1869, Susan B. Anthony and Elizabeth Cady Stanton founded the National Woman Suffrage Association in New York. The two women believed that instead of supporting the Fifteenth Amendment as it was, women's right activists should fight for women.
