

Just take it one day at  
a time and before you

as new.

Get  
Well  
Soon

Get  
Well  
Soon

The text "Get Well Soon" is written in a black, cursive script. To the right of the word "Well" is a red heart outline. On the left and right sides of the word "Soon" are orange sunburst-like shapes, each consisting of several curved lines radiating outwards.
