

Destination

The background features a vibrant yellow surface with large, bold letters spelling "COPA". The letters are dark green with a thick yellow outline. The "C" is a standard C-shape, the "O" is a circle, the second "O" is a circle with a horizontal oval cutout, and the "P" has a blue top section and a base with horizontal stripes in red, orange, yellow, green, and blue. To the left of the letters, there's a dark green shape resembling a stylized "V" or a window frame. The entire scene is framed by a red and green border at the top, which contains a photograph of a classical stone building with columns and a balcony. The bottom of the image is filled with abstract, colorful shapes in shades of green, blue, red, and yellow.
