## World Hunger Day

World Hunger Day is observed every year on May 28th, and while world hunger is a very large issue, it's the simple things and basic acts of kindness that can make a difference. Created to raise awareness about the global issue of hunger and poverty and inspire people to get involved in efforts to help those in need, World Hunger Day is also an opportunity for us all to reflect on how fortunate we are to have access to food and other necessary resources.

Join the fight against world hunger on World Hunger Day. Donate to a food bank, ask to start a food drive where you live, do what you can to help and support those in need near you, or spread awareness to make a difference!

## Today in History

In 1983, "Flashdance (What a Feeling)" by Irene Cara hit #1 on the pop charts. She won an Academy Award for Best Original Song and a Grammy for Best Female Pop Vocal Performance in 1984. Cara gained success from her role as Coco Hernandez in the musical film "Fame."

## DID YOU KNOW?

### Sun Spiders

Sun spiders, also known as wind scorpions or camel spiders, belong to the order Solifugae and are neither true spiders nor scorpions. These moderately small to large arachnids, measuring 1 to 8 inches (2 to 20 cm), are found in deserts worldwide. They are identified by their massive jaws, which make up one-third of their body. With a body divided into seven segments and lacking venom, they use four pairs of walking legs and pedipalps to navigate their environment.

## How To Play:

Each 9x9 box is comprised of 9 smaller 3x3 boxes. Each of these smaller boxes must be filled in with numbers from 1-9. Each row and column of the larger 9x9 box should not have any numbers repeated.

	7					2	8	
		9		4	6	7		
6			1	7				
			9			6	3	
	2		3	1	5	9		4
	4	3		8	7			2
					1	8	4	9
1			4		2			
7		4		9				5

9	7	6					4	
					8	1	3	9
		1	4		2			
	2		9					4
8			6				7	
7	1	3				9		
	3			4		7		
	4	9	5	1			6	
	6			8			1	

## Helpful Tip:

If you get stuck, try asking yourself "Where can I place number X in this row or column?" Scan to see if the number is already in that row, column, or box.
