

MAKE YOUR OWN CHINESE DRAGON

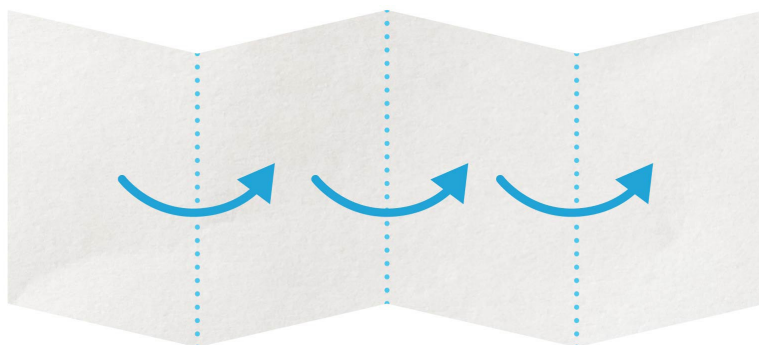

MATERIALS

- Red construction paper
- Crayons, markers, or colored pencils
- Wooden kebab skewers
- Printed .pdf provided
- Scissors & Glue (hot glue is best)

HOW TO CREATE

1. Print out both pages of the dragon images
2. Color all dragon head and tail images
3. Cut out along the dotted lines, or as close as you can to the image
4. Fold red construction paper “accordion” style

5. Sandwich the construction paper “fan” between the two heads and tail pieces and attach skewers.
