Just Because Day

This somewhat quirky August 27 holiday is Just Because Day. Have you held back from doing something you want to do, something out of character for you? Are you afraid someone will challenge your decision or action? You're ready to reply to the question with an excuse that's valid today... Just because. Today is the day to go out and do something "just because." It is most enjoyable if it is an uncommon or unexpected activity or action.

It's going to be a lot of fun. Finally, you have a chance to do something without rhyme or reason. Most often in life, we do things because we have to, we want to, or it's expected of us. None of those reasons apply today. Why? Just because, of course!

Today in History

In 1970, American guitarist, songwriter, and singer Jimi Hendrix created his last studio recording at Electric Lady Studios in New York City. The record was an instrumental called "Snow Blues." He gained success in the U.S. when he played the Monterey Pop Festival.
