## Psychic Powers Day

I'm thinking of a number. What is it? If you're psychic, you already know. If you're not, well, why not celebrate Increase Your Psychic Powers Day by trying to foster or improve your psychic powers? You can try to guess who is calling you or knocking on your door instead of asking who it is, or grab a deck of cards and try to guess which card is on top.

Today is a good day to test your psychic powers and see if you happen to have the potential to become a fortune teller. So, go grab your crystal ball and have some fun (did you know I was going to say that?!?!).

## Today in History

In 1950, Earl Lloyd (aka The Big Cat) became the first African American to play a game in the NBA. His debut was with the Washington Capitals. In 1955, he helped the Syracuse Nationals win the NBA Championship. In 2003, Lloyd was inducted into the Naismith Basketball Hall of Fame.

## DID YOU KNOW? Dead Man Winning

After being clinically dead for 14 minutes and surviving a coma, Australian truck driver Bill Morgan's luck took an incredible turn. A year after his accident, he won a car from a scratch-off ticket. When a news crew asked him to reenact the moment, he bought another ticket for the camera. In a stunning twist, he scratched it and won \$250,000 live on air, joking to the stunned reporters, "I think I'll have another heart attack!"
