Bathtub Party Day

When was the last time you took an actual bath in an actual bathtub? If the answer is "I don't know" or "I can't remember," then it has been far too long! Luckily for you, today is Bathtub Party Day, so there's no better time to take a bath! Few things are as relaxing as taking a long, hot soak in a tub during the winter. On Bathtub Party Day, this is your chance to draw a bath, throw in some soap bubbles, grab a drink of your choice, and just enjoy a little peace from it all. Oh, and don't forget the rubber ducky! After all, it's not a bathtub party without one!

*"There must be quite a few things
that a hot bath won't cure, but I
don't know many of them."
- Sylvia Plath*

DID YOU KNOW?

A Flavorful Flaw

Did you know the iconic chunky texture of Ben & Jerry's ice cream exists because one of its founders has a poor sense of taste?

Co-founder Ben Cohen has severe anosmia, which limits his ability to smell and taste flavor nuances. To compensate, the duo focused on creating a satisfying mouthfeel by loading their ice cream with the large chunks of cookies, fudge, and candy we know today, ensuring that Ben himself could enjoy the full experience.
