## Unlucky Day

Uh oh! Don't look now, but it's an Unlucky Day. Sounds ominous, right? But we promise it's not! Today is a day to reflect on the past year and forget your misfortunes. Take a moment to shake out all of the "bad" from the year. Trade your grudges and pessimism for a new, positive outlook on the clean slate that tomorrow brings!

Today reminds us that life goes on. So put the past year behind you and turn your thoughts to the goals, plans, and hopes of the new year. Make achievable goals for yourself. Maybe you want to increase your daily water intake (we all know we need to!) or maybe you just want to pick up the phone and call loved ones more often. Whatever your goals may be, know that the new year is what you make it, so make it a lucky one!

## Today in History
