## National Sing Out Day

If you love to sing, this is your day! May 25th is National Sing Out Day! This day was originally created in 2008 by singer-songwriter Chris Trapper as a way to bring joy and unity through the power of music. Whether you're a pro, sing in a local choir, maybe do communication theater, or you're the best shower singer you've ever heard, singing is an amazing way to connect with others and brighten the day. From relieving anxiety and lifting your spirits to boosting self-esteem, creativity, and a sense of accomplishment, singing has many amazing benefits.

Put together a sing-along, take turns sharing your favorite songs, or just fill your day with humming and song-singing has so many benefits that should be shared and enjoyed every day!
