## National Lucky Penny Day

“See a penny, pick it up, and all day you’ll have good luck.” If you know that saying or heard it growing up, today is your day! Celebrate good luck and good fortune on National Lucky Penny Day on May 23rd. This special day was created to commemorate the old tradition of using a penny as a lucky charm. It's believed that finding a penny brings good fortune, and this day is a great reason to help bring good fortune to others. Host a penny drive, collect pennies on your own, and make a donation to a favorite charity or non-profit organization.

Have some fun with a simple penny toss for prizes or sweet treats. Did you know pennies are now used to make art and jewelry? There are countless ways you can bring some luck into your life with just one little penny!

## DID YOU KNOW? Random Efficiency

Amazon's warehouses store items randomly to make them easier to find. The warehouses store a wide variety of items, but not a large quantity of each item. Workers scan each product and shelf with a handheld computer before placing the item on the shelf. This allows the computer to track the location of every item in the warehouse.
