## World Hunger Day

World Hunger Day is observed every year on May 28th, and while world hunger is a very large issue, it's the simple things and basic acts of kindness that can make a difference. Created to raise awareness about the global issue of hunger and poverty and inspire people to get involved in efforts to help those in need, World Hunger Day is also an opportunity for us all to reflect on how fortunate we are to have access to food and other necessary resources.

Join the fight against world hunger on World Hunger Day. Donate to a food bank, ask to start a food drive where you live, do what you can to help and support those in need near you, or spread awareness to make a difference!

## Today in History

In 1892, Environmental philosopher John Muir was among others who formed the Sierra Club in San Francisco. It was created to conserve nature. Muir's activism helped to preserve Yosemite Valley, Sequoia National Park, and other wilderness areas.

## DID YOU KNOW? Holly's Fatal Comeback

Buddy Holly formed the Crickets and had seven hits before going solo and going bankrupt. He was asked to headline the Winter Dance Party tour in 1959, but was hesitant to go because of the winter weather and leaving his pregnant wife. However, he eventually agreed to join the tour to pay off his debts and boost his career. Although Holly was killed during the tour, his influence as an artist appealed to many who came after.

## TRIVIA

What would you be studying if you saw arches, whorls, and loops?

- A** Gates
- B** Swimming pools
- C** Fingerprints
- D** Bushes

## How To Play:

Each 9x9 box is comprised of 9 smaller 3x3 boxes. Each of these smaller boxes must be filled in with numbers from 1-9. Each row and column of the larger 9x9 box should not have any numbers repeated.

9			8	6	2	7	3	
1	2			5	9			
8		6	7				5	2
					7	4	9	
7	6	8			5		2	
	9	5		2	3	8		
5	4		9	7	6	3		
		9	5	1	4		6	

2			3	5	8			
	3		1		4		5	2
6	5				9			
		3	5				8	1
	2		9	8				
	7	5	2	4	1	3		6
5				9		8	1	
7			6	3				4
		9				5		7

## Helpful Tip:

If you get stuck, try asking yourself "Where can I place number X in this row or column?" Scan to see if the number is already in that row, column, or box.
