## B Kinder Day

Sometimes, you leave a legacy, even at a very young age. Each June 22nd, we celebrate one of those special youngsters by acknowledging B Kinder Day. The premise of the day is very simple: be kinder to people today to honor the memory of a young girl who tried to be a light in the world.

Known for her compassion and loving nature, Billie Kinder, or B Kinder is the inspiration for being kind to others today to simply spread some joy. How can you spread joy today? A simple compliment, a friendly hello, or a sympathetic ear can be just what your friends may need to brighten their day.

## DID YOU KNOW?

### Bubbling Bramble Vines

Derived from tropical Smilax vines native to Mexico and Peru, sarsaparilla is a fragrant root flavoring. Its name combines the Spanish words for “bramble” and “little vine.” Once a popular medicinal tonic, it now masks bitter medicine or provides root beer’s signature kick when blended with wintergreen. From ancient healing roots to modern soda staples, this tropical lily relative remains a truly versatile, aromatic, and beloved botanical ingredient used today.
