## Upsy Daisy Day

You've no doubt heard the expression, Upsy Daisy! This quaint expression is used when something is dropped or needs to be lifted. June 8th is Upsy Daisy Day, a reminder to embrace joy and happiness in light of life's unexpected trials and tribulations. It's a day designed to accept each day as a gift, even if that gift FEELS like a fruitcake during the holidays!

We all know that life doesn't go the way we want it to every day, but we should be grateful nonetheless for everything that went right today. Keep that positive attitude, and you can handle any of life's little Upsy Daisies!

## Today in History
