National VFW Day

On September 29th, National Veterans of Foreign Wars (VFW) Day honors the men and women devoted to this valuable organization and those members who have served our nation. The VFW was established on September 29, 1899, by a group of veterans from the Spanish-American War and the Philippine Insurrection. It has since grown to be the nation's largest group of combat veterans. VFW membership since its inception has been instrumental in the establishment of the Veterans Administration, the creation of the national cemetery system, and the passage of the GI Bill. Members of VFW continue to serve their fellow veterans, families, and communities by sponsoring scholarships, career fairs, mental wellness campaigns, and so many more beneficial services. Take a moment to recognize all the VFW does in your community.

On January 10, 1992, a container ship cruising from Hong Kong to Tacoma, Washington, encountered a storm in the Northern Pacific Ocean, bringing down 12 containers into the icy waters below, spilling 28,000 plastic bath toys. Rubber ducks circle in the gyre for three years to Japan, then back along the northwest Pacific coast and east, landing again in North America. Some ducks landed in Hawaii, and some even made it to Alaska.
